FAQs

Q1: How long does delivery take?

Most deliveries are completed within **1–3 business days**, depending on your location and courier availability.

Q2: Is FedEx the only delivery partner?

No. While **FedEx** is our primary partner for reliability, we also collaborate with **other trusted logistics providers** to cover all regions efficiently.

Q3: How do I ensure my medicine is authentic?

Every product comes with a **batch number, manufacturer details, and expiry date** for transparency. You can verify these details with our pharmacist or the manufacturer.

Q4: Can I track my order?

Yes — once shipped, you'll receive a **tracking number** to monitor your package in real time.

Q5: What if I receive a damaged or incorrect item?

Simply contact customer service within **24 hours**, and we'll **replace or refund** your order immediately.

Conclusion

United Pharmacist Delivery Service combines **pharmaceutical expertise** with **modern logistics** to provide a seamless, safe, and reliable medicine delivery experience. Backed by **FedEx's trusted network** and **strict quality standards**, customers can rest assured they're receiving genuine products — on time, every time.
